Parade Safety Rules for Town of Stoughton Parade

The following Parade Rules are designed to ensure and preserve the public peace and good order. These rules are not meant to decrease the level of involvement for any participant. If you have any questions or concerns about any of the rules, please do not hesitate to ask the Recreation Department
These Parade Rules apply to parade line-up, the main parade, and closing ceremonies. Violation of these Parade Rules may result in immediate ejection from the parade and in other penalties.

- The distribution of candy, literature, advertising, samples, or gifts of any kind by float riders and/or drivers in the parade is prohibited. **Under no circumstances shall candy be thrown**, especially from vehicles. (The Town considers any parade entry that involves anything other than pedestrians to be a Float)
- **Float walkers shall be permitted to hand candy**, literature, advertising, samples, or gifts to spectators, but **MUST be walking along the sidewalk**, so parade viewers do not run into the street.
- **No person is allowed to get on or off a vehicle or float while it is moving or once it has started down the parade route**. (Getting on or off of moving vehicles creates a substantial risk for injuries including closed head injuries, neck injuries, back injuries, broken bones, or internal bleeding.)
- ****NO GROUP IS TO STOP IN THE CENTER OF TOWN FOR A PERFORMANCE UNLESS YOU HAVE RECEIVED APPROVAL FROM THE RECREATION DEPARTMENT****
- **Absolutely NO SANTA'S in YOUR entry.** There will be ONE (1) Santa at the end of the parade that has been arranged by the Department. Your entry will not be permitted to continue down the parade route if there is a Santa in your entry. NO EXCEPTIONS.
- Each entry must be LIT, and it is suggested to have MUSIC playing during the parade. Participant's float must come self-contained with generator power for illumination & music.
- No exhibitions of vehicle speed or vehicle horsepower will be tolerated! Vehicle entrees will not engage in any conduct that is intended to display, show-off, or illustrate the vehicle's power or the skill of the operator.
- The use of foul language or inappropriate behavior is prohibited. Parade participants are expected to conduct themselves in a courteous manner.
- Any animal involved in a parade that isn't being ridden or is not hitched to a float must be on a leash or a lead. All animals in the parade must be under the control of an individual capable of managing the animal. Individual handling the animal is responsible for any animal waste that may occur during the parade route.
- The discharging of firearms or the use of any similar type of noisemaker or fireworks is prohibited.
- Parade entry speed will not exceed 5 mph along the designated parade route at all times. Entries are to remain a safe distance from the crowd, the float in front of them and maintain their assigned position throughout the duration of the parade.
- All entrees must make all reasonable efforts keep the parade line-of-march tight, avoiding gaps if at all possible
