I understand that the RELEASEES are not responsible for the consequences of their own **NEGLIGENCE**, that is, their failure to use reasonable care in any way. I acknowledge that I am freely and expressly assuming and accepting any and all risks of property damage, personal injury, illness (including but not limited to COVID-19), disability and death in connection with my or my child's use of the rental equipment, the resort or the snow tubing facility. 5. I acknowledge that it is the skier's responsibility to verify that the binding indicators match the settings indicated on the rental equipment identification tag provided with the equipment. I agree that I will verify the binding indicators before using equipment provided to me, and authorize my minor child to verify the binding indicators before using equipment provided to him/her. If the indicators do not match the settings on the rental equipment identification tag, neither I nor my child will use the equipment until a Blue Hills rental technician has made the proper adjustment(s), and the adjusted settings have been verified by me or my child. I acknowledge that any use of rental equipment with settings which do not match those indicated on the identification tag shall be at the skier's own risk, and that the RELEASEES shall not be liable for any personal injury, death and/or property damage which may result from the use of such equipment by me or my child.

9. **ALPINE SKI** I understand that a ski-binding-boot system will not release or retain at all times or under all circumstances where release or retention may prevent injury or death, nor is it possible to predict every situation in which it will release or retain, and it is, therefore, no guarantee of the skier's safety. I further understand and agree that unwanted release or retention of bindings is an inherent and assumed risk of skiing.
10. **SNOWBOARD SKI** I understand that any snowboard skiing equipment being furnished forms a part or all of a snowboard/boot/binding system which is a **NON-RELEASE** system, that its use cannot guarantee the user's safety and that this snowboard/boot/binding system **DOES NOT REDUCE THE RISK** of injuries to any part of the user's body, and that these features are inherent and assumed risks of snowboarding.
